MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology
Executive Secretary of Executive Secretariat

An allegation has been made that CIA file "09006 - LST"

contains a series of missing photographs having an association with Watergate. Will you please see if you can identify such a file among those for which you have responsibility. I would not expend any large effort in tracking down this file, but it would be useful to the Agency if we could dispense this allegation.
